Amendment proposed by Olly Marshall-Moore, on behalf of Management Committee:

It is moved that minutes from all Management Committee meetings be published to all club members, via the weekly newsletter; management committee reserves the right to redact or edit minutes to preserve personal confidentiality and / or commercial sensitivity, as required.

- 6.2 London Marathon Club Entries

Motion proposed by Jeff Marriott:

It is moved that club entries for the London Marathon be allocated to club members by way of annual ballot – replacing the current waiting list mechanism.

Additional information:

"When the club voted to bring in the waiting list system, the wait was 3-4 years, now it is approximately 11 years. At least by going back to the old draw everyone has equal chance. I do understand that if you are due the place next year this seems unfair. But as the recent issues around the club trip have shown, the current system is fundamentally unfair."

Only items on this agenda will be discussed.
